

# OUTDOOR STRUCTURES SUPERMAX MADE IN THE USA

## CABANA DINING STRUCTURES

Highmark has 20+ years of experience in the live events and tradeshow industries which demand fast, safe and scalable solutions for all environments.

**These products are scalable, simple to build on-site, and perfect for safe and elegant outdoor dining experiences fully-enclosed (for single parties), semi-enclosed (per city ordinances) or open air. Product offers wall placement flexibility and finishes from transparent to opaque textures.**

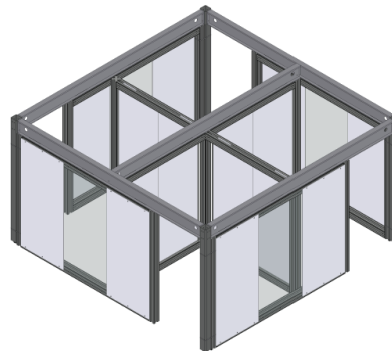

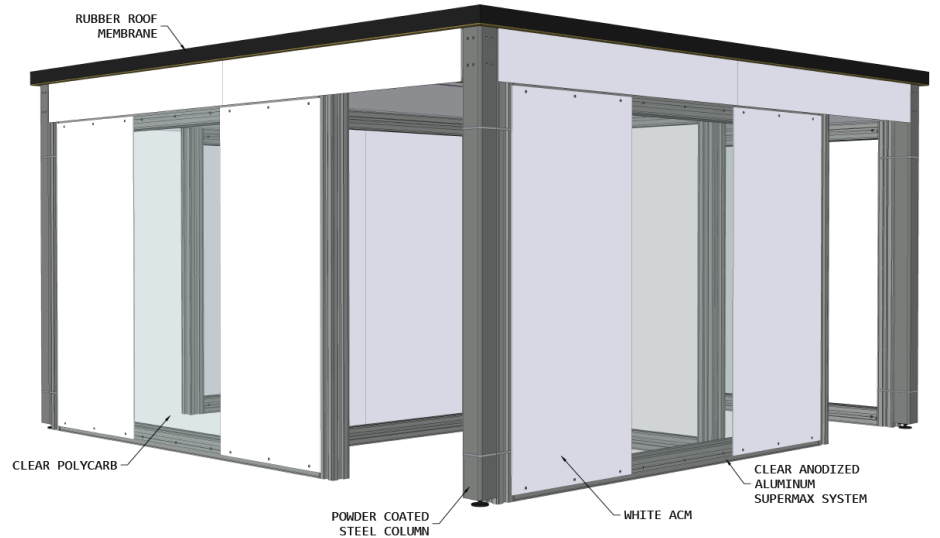

Available in 8'x8' (single), 16'x8' (double), or 16'x16' (quadruple) party sizes offering dining options for up to four separate tables per 16'x16' unit.

Models rent for \$3,000.00 (8'x8' - single party), \$5,000.00 (8'x16' - 2 parties) or \$7,000.00 (16'x16' - 4 parties) per month. Transportation, installation, and dismantle are included.

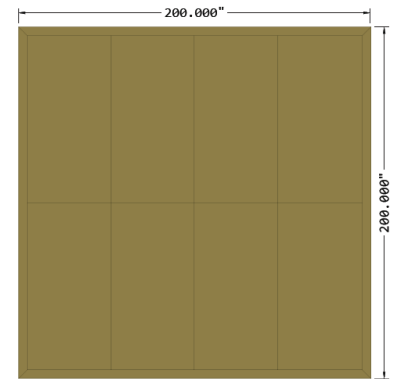

### Highlights:

- Modular design allowing for single or multiple party seating
- Open or closed wall sections adhering to city ordinances/protocols
- Exterior paneling options
- Safe/strong poly carbonate and ACM exteriors
- Heating available
- Lighting available
